Join the EMPIRE! 2021-2022 Tryout Packet & Information!

Welcome to Cheer Savannah All Stars! You have chosen to be a part of the BEST CHEERLEADING PROGRAM in the Southeast! We are one of the most recognized, famous, and branded cheer gyms in the world! Our mission at Cheer Savannah is to partner with our parents to develop world-class cheerleaders and humans, by training their body, mind, and character to its greatest potential. We host every cheerleading level, from beginner to advanced, levels 1-6. Cheer Savannah brought All Star cheerleading to the area when we opened in 2000. This is our 22nd season and we have the biggest and most beautiful training facility right on Pooler Parkway. We are 30 minutes from most everywhere - at the Tanger Outlets entrance, Exit 104 off I-95. We have developed 18 Worlds teams and built more level 5-6 athletes than any other program in Savannah or surrounding areas. Dozens of our athletes have gone on to cheer for D1 colleges. Our staff is the best in the country and our worlds coaches also coach our littles! Unlike other programs, we spend as much time developing our beginners and littles as our Worlds kids! We have beaten the other gyms in the area in every level & team AND our program cost less money. Furthermore, the athletes that leave our program to try something different, return year after year. Our kids have more fun, we are more organized, we give better customer service, and we are the best cheerleading.... all for less money! It's WORTH THE DRIVE!

We are a Christian founded organization & therefore we often pray and observe Christian holidays. However, we respect all religions, all colors, all sizes, all sexualities, and all classes. We are only concerned about how you BEHAVE & cheer. We ask that every parent and athlete at Cheer Savannah show respect & tolerance of EVERYONE! We will not allow gossip, negativity, or drama. We strive to maintain a fun and positive environment where every athlete feels supported and encouraged. We train our athletes to be the best of their ability and competitive with gyms from all over the world. Our athletes will learn sacrifice, correction, how to win, how to lose, & manners. We pride ourselves on individual athlete development while building self-esteem and confidence. At Cheer Savannah, we believe that every athlete is a member of our family. We are committed to your child's success, asking only for your trust and support in return. We are honored that you have entrusted Cheer Savannah with your child. We do not take our responsibility lightly! There is no doubt we provide the best training so if you will let us, we will develop your child into a Rockstar! Just give us time.... We have been in business 22 years for a reason! We guarantee it!

General Questions & Answers:

Q: What are the different types of teams Cheer Savannah will offer this season to ACCOMMODATE EVERYBODY?

1. **ELITE Teams:** Practice twice per week, 2 hours per practice PLUS. They will compete at approximately 5 competitions around the Southeast. Some are 2-day NATIONAL EVENTS, and some are 1-day local events. We take practice very seriously. Practices must never be missed. Cheer has to be a family priority to be on these teams! Hurt, sick, inconvenienced.... this is for SERIOUS ATHLETES & COMPETITIVE FAMILIES!

2. **PREP Teams:** Practice twice per week for 2 hours. Prep teams are a little less expensive by reducing uniforms and traveling expenses. Prep divisions only compete for one day helping families save on hotel nights. Our younger teams are "prep" to give families a gradual growth into the sport. Approximately 4-5 competitions--2-3 local & 1-2 bigger, away, "national" events requiring overnight stay. You will reserve a hotel for one night, the night prior. (The athletes incur all hotel & travel expenses.)

Q: How do you select teams?

A: We select teams to be the most competitive in each level. We base these placements on tumbling, stunting, jumping, motions/dance, showmanship, attitude, & experience. There aren't necessarily "pre-set" teams. We take the skill level and ages of the kids that show up & form teams to WIN based on what we have at tryouts.

Q: What is our practice schedule?

A: We will release a summer practice schedule for June & July. You are required to attend 75% of summer practices. Mandatory practices beginning Aug 1st. No missing & no exceptions. If you are absent, we may move you to another team. Some teams practice Sundays & a weekday, some practice 2 weekdays. Time slots are 5-7 pm & 7-9 pm during weekdays. Sundays can be anywhere from 3-9 pm.

Q: Does everyone make a team?

A: It is our goal to place every child on a team. We do not "cut" based on skill level as we offer beginner teams. We evaluate maturity, ability to take instruction & interact positively with their peers.

Q: What are the MOST IMPORTANT Policies AT CHEER

SAVANNAH? A: There are 4 simple ones:

1. You can't miss practice or competitions unless you are so sick that you are contagious! Athletes must attend last practice before competitions or cannot compete--no matter what! Only school functions that will result in the lowering of an overall report-card grade are excused.
2. You can't quit the team for the season once you commit. It is a legal and binding contract that will be legally upheld.
3. You must pay your bills on time so we can pay ours. Late fees will be applied. No child will be allowed to practice with an outstanding balance.
4. Be nice. Be positive. Be respectful. Be supportive. Be an ambassador for our program. If you ever disrespect our staff or gym, you will be asked to leave. No child can continue forward with a parent who has negative social media posts or disrupts our energy and brand.

Q: How long does it take to advance to the next level?

A: Usually 2-3 years. There are 6 levels and you have 13 years to get there. PATIENCE & proper progression IS KEY! Worlds kids & level 6 kids put in TEN YEARS! Attending off-season training in the summer months is KEY in progressing your child! And never quit! Stay in cheer until graduation to get the most out of the sport. You will never reach the peak if you quit! THE WORK IS WORTH IT!

Q: Can parents watch practice?

A: No. We are a closed practice facility & do not have a viewing area.

Q: Do you fund raise? How does it work?

A: We are a for profit cheerleading service BUSINESS. We do offer limited fundraising at times. However, by doing so we are allowing our customers to use our company's name to solicit funds from our community & saturate the area preventing us from getting CORPORATE SPONSORS for equipment, scholarships, etc. All sports programs have to give a percentage back to the school/program when using their name to solicit money. Similarly, we require 30% of the sponsorship money you receive as compensation for using our brand. If you do not want to contribute any percentage of fundraising back to the gym, then do not participate or use our name to solicit funds.
