

# CHEER SAVANNAH ALL STARS 2022 - 2023 SEASON

All Star cheerleading is a CLUB sport in which a team performs a 2 minute 30 second routine comprised of tumbling, stunting, jumps, pyramids, and dance. The routine is performed to music on a 42x54 spring floor at competitions. OUR CLUB is for families who want extraordinary! Only families willing to support the STRONG financial and time commitment should consider elite club sports such as all-star cheer. (See fee sheet attached).

## **What the Cheer Savannah CLUB MEMBERSHIP entails:**

Established in 2000, Cheer Savannah is one of the most iconic, & best all-star cheerleading programs in the world! We field teams of athletes ages 3+ and ranging in levels 1-6 or beginner to amazing. The season begins in May and lasts through late April. When forming teams, we are looking for full mastery of tumbling skills to be placed within a level, as well as stunting positions. However, we also place athletes based on maturity, emotional development, ability to handle coaching, rule following, and supportive parents.

- Time commitment: Teams will practice two days a week for 1.5 hours OR 2 hours per practice depending on age/team/level. You can expect extra practices to take place for choreography, before a competition, and for emergencies (Sally has Covid & cannot compete). Attendance is incredibly important to a cheer team's success as there is no bench or second string. Athletes will only be allowed to miss for an approved absence or dire emergency. **NEVER MISSING PRACTICE** is one of the nonnegotiable rules! Missing practice will first affect an athlete's position on the team, (she will be moved to the back or taken out of the tumbling) and placed in a less important role. Then she will be moved onto another lower-level team, then dismissed from the program.

## **Competition Schedule/Travel:**

The tentative competition schedule will be released by September 2022. We will attend a variety of local and out of state competitions. All athletes are expected to attend every competition. Travel cost is not included in Tuition and each family is responsible for getting their athlete to and from the competitions. A few of the events are mandated "Stay to Play" which require athletes to book through the sanctioned hotels. We try and select events however, that allow us to stay wherever we choose, when possible. We will reserve a Cheer Savannah block to secure the best rate. All hotel info will be given to you in a timely manner, but you must reserve as soon as we send out the info and NEVER book hotels that are nonrefundable! Plans change and you will need to be able to get out of your bookings. Same when booking flights in advance! FYI

## **Apparel:**

There will be a mandatory practice wear package for all athletes, mandatory bows, and uniforms. Shoes and wind suits and bags are optional! All Cheer Savannah logos and brands are protected and cannot be duplicated. All Cheer Savannah apparel must be purchased from our gym to include team sponsored items, parent apparel, etc. You may never make or have Cheer Savannah image or likeness made.

## **End of Season Events:**

All our teams will work to earn a bid to an end of season event. End of season event costs are **NOT** included in the Tuition. If your team earns a bid, additional fees will apply.

## **Things to Know:**

- If you have any questions or concerns that need immediate attention, please use the following chain of communication.
  1. Team Mom
  2. Head Coach
  3. Ms. Sam
  4. Owner/President (Coach Steph)
- Good sportsmanship, polite manners and a good disposition are mandatory at all practices and competitions by all competitors AND parents.
- Crossover Policy: if you would like to be a crossover, you will be responsible for the crossover fees in addition to your regular Tuition.
- It is your responsibility to wear the appropriate practice wear to every practice and competition attire to events. We strongly enforce the correct practice wear & your child will have consequences for not being in the right attire. Cheer shoes are mandatory & shoes may never be taken off inside the gym for any reason!
- Social Media posts that are a poor representation of Cheer Savannah Allstars may result in suspension or removal from the team. They must be taken down to continue as a team member. If you vent on social media or slander our program, we will part ways permanently.
- Personal items such as cell phones, school bags, or gym bags must be stored in the cubbies or lockers. NO items are to be left in the gym lobby, walkways or near the doors. DO NOT LEAVE JEWELRY SITTING AROUND. ALL ITEMS MUST BE KEPT IN A SECURE BAG INCLUDING CELL PHONES. We are not responsible for lost or stolen items. WE WILL NOT KEEP JEWELRY!
- You must arrive at all practices, competitions, or any scheduled event on time. Punctuality is a MUST. For 5 o'clock practices, you must be able to get your athlete there on time. period. If you are a late person, our program will not be a fit. We will start charging your account \$25 when you are late or make the athlete stay 30 minutes after practice is over to clean the gym or run! It affects the other paying team members, and they cannot practice when your child is absent.
- If you must speak to your coach, remember to do it at the appropriate time. Email and request a meeting but never at practice or events. We strongly enforce the 24-hour rule. Do not contact them for 24 hours after returning home from an event. Or 24 hours after

you are upset. Addressing someone when emotions are high is never a good idea. You are passionate about your child. We are passionate about our program.

- Athletes need to be able to perform all aspects of competitive cheerleading physically and mentally. **FLYERS MUST TAKE A STRETCH CLASS!** If your child is falling behind, please take all the classes available to you.
- **NO GOSSIP** about other athletes, parents, teams, coaches, or staff will be tolerated. We do not do any drama at all or disrespect. If you ever yell or swear or disrespect a staff, you will be dismissed, or the cops called to dismiss you. We will never discuss another child with you at all whatsoever. So never ask why Sally is in the front unless Sally is your athlete. Girls argue. So, if we must get 2 mommas and 2 daughters together to resolve conflict, that can not escalate to swearing and yelling. Or the child will not be able to return. No fights in the parking lots or at comps please 🙄🙏
- Cheer Savannah Allstars is not a babysitting service. No child should be dropped off at the gym more than 10 mins early or left after practice is dismissed.
- Practices may be changed or added or cancelled at any time during the season.
- Anyone threatening to quit or to pull their child from a team will be dismissed from the program immediately, but you will still have to pay your contract. If you ever quit a team at Cheer Savannah mid-season, you will never be allowed to return as a team-member. If you complete the season and fulfill your obligations, and leave for a stint or try another program, you are welcome to return. But **NEVER EVER QUIT ON YOUR TEAM!** Finish the season and then don't tryout again? But quitting is a lifetime decision here.
- Only athletes and coaches are allowed in the gym please! We strongly enforce **DROP & DRIVE!** We prefer no parents come into the gym so we can **COACH & WORK!** Ms. Sam can't work with mommas wanting to chit chat!
- Do not speed through our parking lot! We have babies walking and kids texting and walking to cars! **DRIVE WITH CAUTION!**
- It is the parent's responsibility to know what is going on with your team. Check your emails and the team Facebook page, & Cheer Savannah Families page regularly.
- Punishing your child by missing practice or a competition is not acceptable. Homework or grades is not an acceptable excuse for missing practice.
- Parents, relatives, friends, and athletes are not allowed to speak with competition officials for any reason. Nor are they allowed to pose as representatives from Cheer Savannah!
- Parents are not allowed to represent Cheer Savannah under any circumstances concerning accommodations, competitions, or any other situation. There will be no arguing or questioning coaching decisions at competitions.
- Cheer Savannah, INC maintains the right to refuse services at any time. Be cool, be easy, trust the process! If you do not like the way we do business, there are other programs. But our decisions and policies are not voted on by the people. We are not tolerant of complaints and arguing and negativity. Be happy and supportive and offer solutions not problems. You will find whatever you are looking for!
- There is no food allowed at the gym. At all. For any reason. Only sports drinks or waters with bottle caps. No Parker's cups. No Starbucks. No birthday cupcakes. If you want to hand out snacks or birthday cupcakes, it is a \$100 fine/charge. An alternative is inviting

the team to Frozen Yogurt or Dairy Queen or your house after practice. But the bugs and ants are a problem! We cannot afford to clean and take out trash every single day. Please help us keep the premises clean and germ free, Sanitary, and professional!

- You can never collect money for anything or any reason at Cheer Savannah.
- You can never give out gifts or party favors or goody bags. That is a HUGE NO NO. When we do big/little sisters, we enforce NO GIFTS. Not at Christmas or ever.
- We do not collect money for team gifts, t-shirts, parties, or goodies.
- You are contractually committed to the season in its entirety. If you quit, you will incur a quit fee of \$500 in addition to the annual total cost.
- Cheer Savannah Allstar Fees are an annual cost that is being financed to you over the course of 12 months.
- If you quit, you must also pay for the end of the season event-fee for your replacement.
- No shoes, uniform, practice wear or any apparel will be delivered to your child if there is any outstanding balance or if you quit. The member items are only for members who commit for the season.
- Please have a CONVERSATION WITH YOUR BABY about never ever leaving the doors or facility unless with you! Kids run across the street, out in the roads, and they go missing and almost ran over. We cannot be responsible so please parent them on the dangers of kidnapping, getting run over, and the homeless people around here at the staffing agency may be up to no good.
